<b>Title:</b>			Lodging tax.																
<b>Description:</b>			AN ACT relating to sales tax; imposing a statewide tax on sales of lodging services; providing for distribution of the tax collected; revising the local optional lodging tax; repealing conflicting provisions; repealing the lodging tax exemption for outfitters and guides; creating the Wyoming tourism account; providing for implementation of the new tax; and providing for an effective date.																
<b>Bill Summary:</b>			This bill will increase lodging tax across the state. The revenue generated from this tax will be appropriated to the Wyoming Tourism Board; approximately 85% of the revenue generated from this tax will be paid by non-residents of Wyoming. This will enable the Tourism Board to no longer need operating money from the general fund, which frees up money for other state needs, including education.

<b>Title:</b>	Indexing fuel taxes.
<b>Description:</b>	AN ACT relating to fuel taxes; adjusting gasoline, diesel fuel and alternative fuel tax rates by indexing the tax rate to the consumer price index; and providing for an effective date.
<b>Bill Summary:</b>	Taxes on gasoline and diesel fuel will be indexed to inflation, meaning the taxes charged per gallon will fluctuate with inflation and deflation. Currently, 24 cents per gallon is charged on gasoline. That tax has not changed in several years, but the buying power of the 24 cents has decreased. By indexing fuel taxes to inflation rates, the revenue generated from the index will maintain its buying power through inflationary times.

<b>Title:</b>			Major maintenance multiplier.																
<b>Description:</b>			AN ACT relating to school finance; modifying the formula for major maintenance funding for public K-12 schools; and providing for an effective date.																
<b>Bill Summary:</b>			Because of the moratorium on new school construction, the school facilities department has taken a position of "asset preservation," which means they hope to extend the life of existing school buildings to at least 80 years. This bill increases the amount provided for major maintenance on a building in order to extend the life of the buildings.

<b>Title:</b>			Legislative review of state land transfers.																
<b>Description:</b>			AN ACT relating to state lands; requiring legislative review of state land exchanges and sales under specified conditions; establishing review procedures; amending standards relating to surface and mineral rights for land transfers; requiring public hearings as specified; making conforming amendments; and providing for an effective date.																
<b>Bill Summary:</b>			This bill would grant oversight of all land exchanges to the Wyoming Legislature. Currently that is the job of the State Lands and Investment Board, made up of the five elected officials in the executive branch. This will make the exchange process too cumbersome to be effective, and may result in the loss of opportunities to exchange parcels.
